

# Starter Edition

Your project-oriented  
out-of-the box planning solution

Common problems you're facing

# Have you ever asked yourself...?

**Do you know all your  
company-wide  
resources?**

**How much effort do you  
spend to keep your  
planning processes alive?**

**Do you really  
trust your data?**

# PQFORCE Starter Edition is the solution

**An all-in-one application to effortlessly search, control and consolidate data.**

A centralized database to stop wasting time on maintaining Excel spreadsheets.

Integrated views for portfolio management and resource utilization to take mission-critical decisions based on facts.

PQFORCE Starter Edition is a holistic solution  
for project, portfolio and resources  
management – designed for small and  
starting companies.

PQFORCE Starter Edition features

# The all-in-one platform for all your needs

Project portfolio management

Project management

Resources management

Project reporting

Project controlling

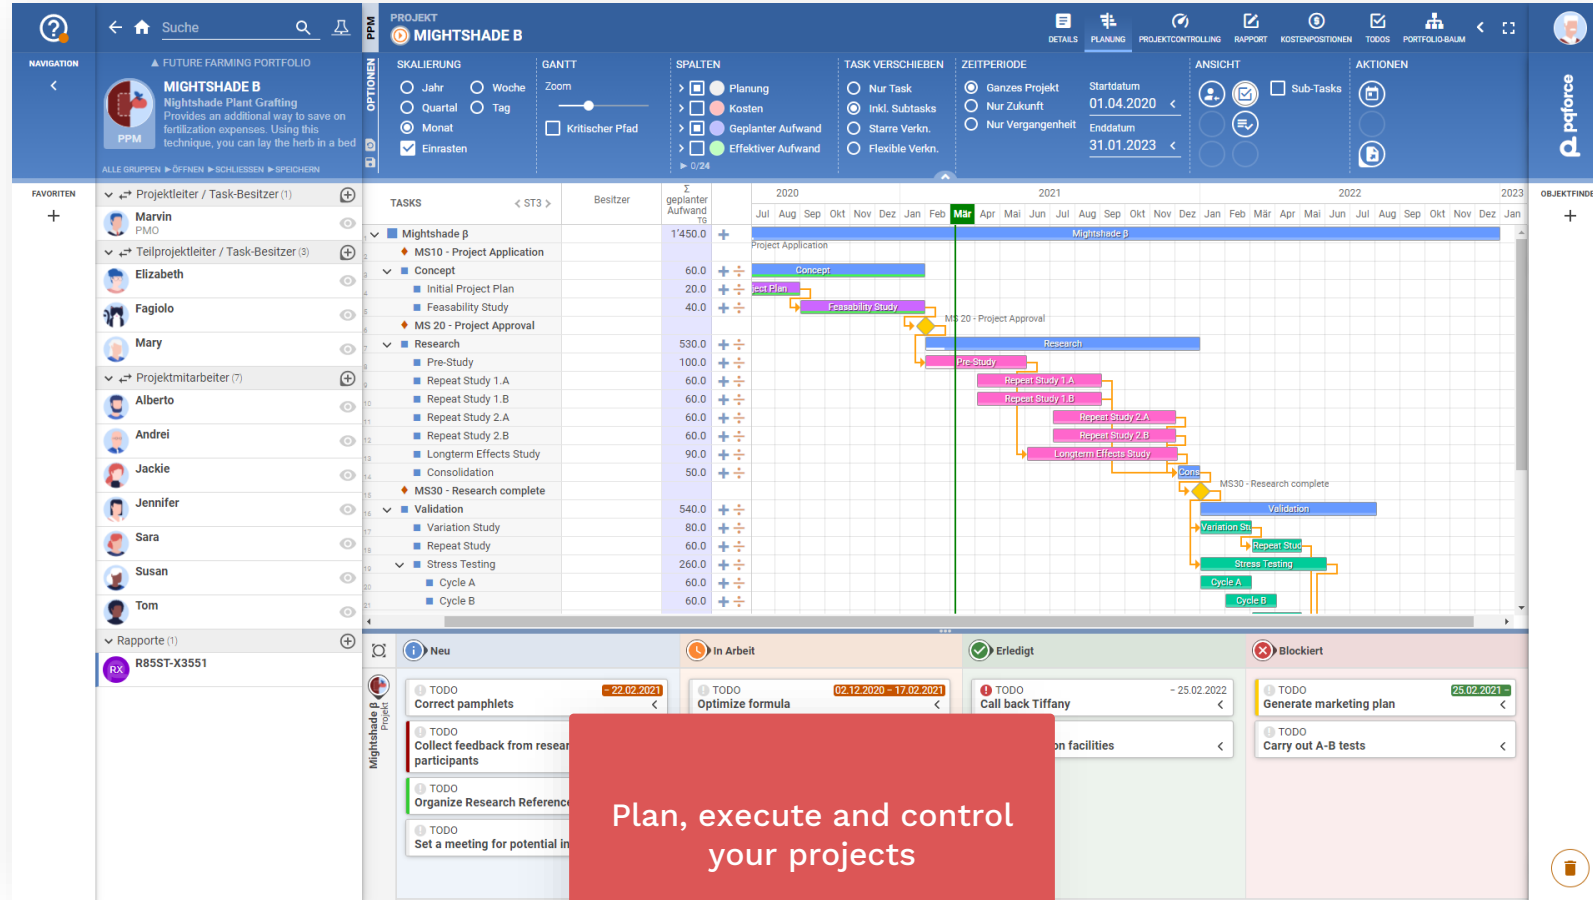

TODO management

Costs management

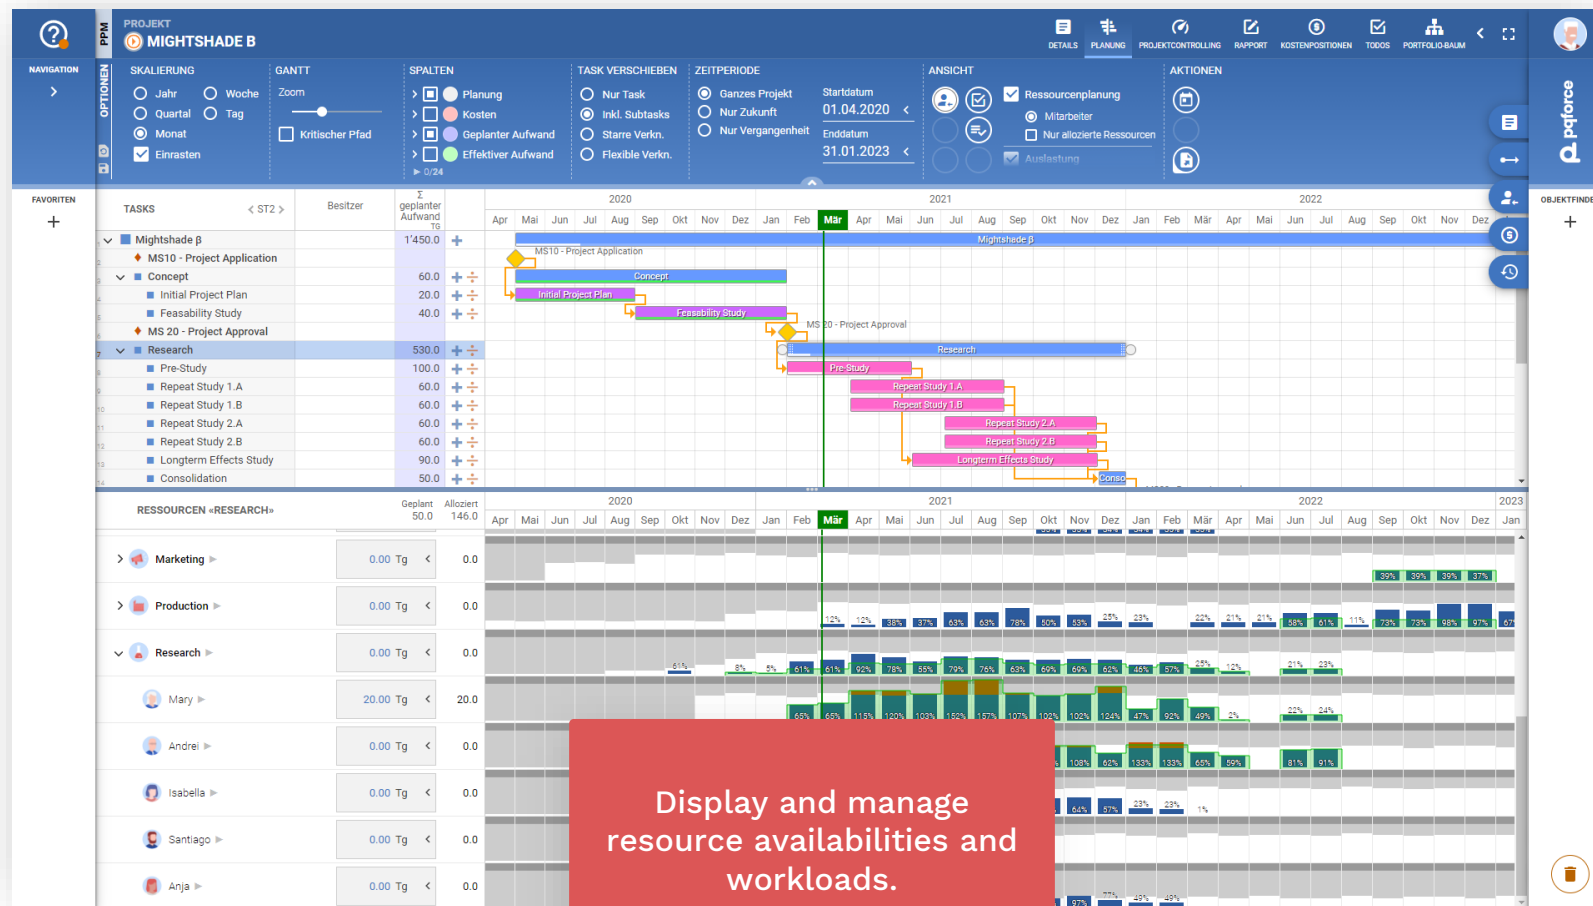

A sneak peek of the PQFORCE Starter Edition

# With PQFORCE Starter you can...

A sneak peek of the PQFORCE Starter Edition

# With PQFORCE Starter you can...

The screenshot displays the PQFORCE Starter Edition interface. The top navigation bar includes a search icon, a 'PQM' label, and the title 'PROJEKTPORTFOLIO FUTURE FARMING PORTFOLIO'. On the right, there are icons for 'DETAILS', 'PORTFOLIOBAUM', 'PROJEKTE', and 'GANIT'. Below the navigation bar, there are several filter and configuration sections: 'PROJEKTSTATUS' (with checkboxes for 'Initialisierung', 'In Planung', 'In Arbeit', and 'Abgeschlossen'), 'GRUPPEN' (with a tree view), 'PROJEKT-SPALTEN' (with checkboxes for 'Eigenschaften', 'Kunde / Auftraggeber', 'Interne Angaben', and 'Management'), 'EINSTUFUNG-SPALTEN' (with a 'Klassifikation' button), 'PLANUNG-SPALTEN' (with checkboxes for 'Planung', 'Kosten', 'Geplanter Aufwand', and 'Effektiver Aufwand'), 'STATUSREPORT' (with checkboxes for 'Eigenschaften', 'Meilensteine', 'Lieferobjekte', and 'Gesamtkosten'), 'ANSICHT' (with a dropdown), and 'AKTIONEN' (with a dropdown). The main table area shows a list of projects with columns for 'PROJEKT ID', 'Beschreibung', 'Klasse', 'Punkte', 'Start', 'Dauer', 'BUDGET', 'Σ IST', 'Σ PLAN', 'Σ PROGNOSE', 'Geplanter Aufwand', 'Σ geleisteter', 'Arbeits-Vorrat', and 'Autom. F'. The projects are grouped by status: 'Initialisierung / Idee (1)', 'Planung (2)', 'Konzeption (2)', 'Ausführung / Entwicklung (4)', 'Einführung / Launch (1)', and 'Abgeschlossen (1)'. A red box at the bottom of the screenshot contains the text: 'And simply get the whole picture with project portfolio overviews.'
